# Card Reader

## S003

The SMA-S003 is a compact and robust MIFARE card reader designed for professional access control applications. Combining IP68 water resistance, IK10 impact protection, illuminated status indication and audible feedback, it provides reliable operation in both indoor and outdoor environments. Flexible cable entry options and a pre-fitted 3m shielded cable help simplify installation while maintaining a clean, modern appearance.

- IP68: Suitable for both indoor and outdoor installations
- IK10: High vandal resistance for public and exposed locations
- Clear visual and audible user feedback
- Fast and straightforward installation
- Compact footprint for discreet mounting
- Comes complete with 3 cards

**5 YEAR WARRANTY**
